

Private same-sex marriage abroad through Portugal

A practical Same Vibes guide for couples who need a discreet official legal route

Quiet preparation. One official appointment. Portuguese marriage certificate the same day.

Quick answer

A private same-sex marriage abroad is not about hiding the legal result. It is about keeping the route controlled, discreet and practical from the first message to the official appointment.

Portugal gives international same-sex couples a clear civil marriage route. Same Vibes handles the legal process: we check the case, prepare the document route, coordinate the Portuguese registry process, arrange the interpreter and guide you through one official appointment in Portugal.

There is no public wedding package and no ceremony agenda. The focus is the official result: you come to Portugal, complete the registry appointment and can leave the same day with your Portuguese marriage certificate.

Legal basis: Lei n.º 9/2010, Diário da República.

Citizenships and residence countries	Defines the document route	We check what applies to each partner
Birth certificates	Often part of the registry file	We check format, dates, apostille and translation needs
Certificate of matrimonial capacity or alternative	Confirms the route for being free to marry when required	We check whether it can be issued or what alternative applies
Previous divorce or name changes	Prevents delays and inconsistencies	We identify what proof must be prepared
Travel date range	Helps align the registry appointment	We coordinate the process around the realistic timing
