

Same-sex marriage in Portugal for Singapore couples

A practical Same Vibes guide to the official Portuguese civil marriage route

One official appointment. Portuguese marriage certificate the same day.

Quick answer

Singapore does not offer a local civil marriage route for same-sex couples. For Singapore couples who want an official marriage result, Portugal can be a practical European route because it allows civil marriage between people of the same sex.

Same Vibes checks your case, prepares the document route, coordinates the Portuguese registry process, arranges the interpreter and guides you through one official appointment in Portugal.

After registration, you can leave the same day officially married, with your Portuguese marriage certificate.

Legal basis in Portugal: Lei n.º 9/2010, Diário da República.
