

Same-sex marriage in Portugal for Ukrainian couples

A practical Same Vibes guide to the official legal route

One official appointment. Portuguese marriage certificate the same day.

Quick answer

Ukraine does not provide a domestic civil marriage route for same-sex couples. Portugal does. For Ukrainian couples who need an official marriage abroad, Portugal can be a practical European route when the document path is prepared correctly.

Same Vibes checks your case, prepares the document route, coordinates the Portuguese registry process, arranges the interpreter and guides you through one official appointment in Portugal.

After registration, you can leave the same day officially married, with your Portuguese marriage certificate.

Legal basis in Portugal: Lei n.º 9/2010, Diário da República.

Document checklist

The exact document route depends on citizenship, residence, marital status, country of issue and the documents available to each partner. Same Vibes checks what applies before confirming the route.

Document or issue	Why it matters	Same Vibes role
Passports or ID documents	Identify both partners for the registry process	We check consistency and explain what to provide
Birth certificates	Often part of the marriage document route	We check format, dates, apostille and translation needs
Marital status / capacity document	Shows whether a person is free to marry when required	We check what document route applies to your case
Previous divorce or death certificate	Needed if one partner was previously married	We check what proof is needed and how it must be prepared
Name spelling or transliteration	Ukrainian, English and Portuguese spelling differences can create issues	We identify mismatches before submission
Apostille or legalization	Prepares foreign documents for use in Portugal when needed	We explain what applies to your documents
Certified translation	Needed when documents must be used in Portuguese	We coordinate translation requirements when needed
Interpreter	Needed for the official appointment when Portuguese is not understood	We arrange the interpreter for the appointment
